

Video: GaNFast™

Length: 39 seconds

[00:00]

Visual: Over a background of pale, rustic wood grain appear drawings of two smartphones, on the left and right, with a drawing of a stopwatch between them. cables then plug into the bottom of each phone, and the phone screens show a low-batter image. The phone on the right also has the "GaNFast™" logo. Then, as the stopwatch begins counting time, the phone on the left charges gradually while the phone on the right charges rapidly to 100%.

On-Screen Text: "GaNFast™ 0 to 50% charge in 15 minutes" Then the text changed to "GaNFast™ Up to 3X faster"

[00:12]

Visual: the phone and stopwatch drawings are replaced by drawings of a laptop, a smartphone, and a tablet, each with a low battery symbol on its screen. Three grey rectangular objects appear at the bottom, and tangled, snaking power cables extend to each device. Then the grey rectangles and tangled cables disappear, replaced by a single blue-outlined rectangle with the GaNFast™ logo. A cable then extends from that rectangle to the laptop, which rapidly becomes charged. Then that cable vanishes and cable extends from the GaNFast™ rectangle to the phone, which rapidly becomes charged. Then the same things happens for the tablet drawing.

On-Screen Text: "GaNFast™ Chargers are universal"

[00:22]

Visual: The charged devices and the GaNFast™ charger rectangle zip off the screen to the right, then a drawing of an old-fashioned scale comes down from the top, with two trays balanced by a beam that pivots at the center. Into the left tray of the scale falls the GaNFast™ rectangle, representing a GaNFast™ charger, and into the right tray fall four representations of other chargers, one at a time. The first charger to land pushes the right hand tray down, showing it is heavier than the GaNFast™ charger, and when each additional charger lands in the right tray, the scale beam tips more, down on the right and up on the left.

On-Screen Text: "GaNFast™ Half the size & weight"

[00:28]

Visual: These drawings are replaced by a background sliding in from the left. The top 70% is blue, with faint photographic images of lights in a city at night, and the bottom 30% is white.

On-Screen Text: "WORK HARD. PLAY HARD. Let's go GaNFast™"

[00:39]

Visual: White bottom of the background extends upward, filling the screen, as the text goes away. Then the GaNFast™ logo appears, with a URL under it, and in the bottom right corner of the screen a Navitas logo appears.

On-Screen Text: GaNFast™ www.ganfast.com"
