Be Ready For Today™

Connect
5-Port USB-C® Hub with Dual USB-C Ports for MacBook Neo

Designed to color match your MacBook Neo. Hybrid working professionals can connect an external display and up to four more devices to expand their laptop's capabilities for video, data and charging. Add USB-C and USB-A ports, enjoy stunning display resolution, and access up to 100W PD to keep a host device charged while connected to other peripherals. This hub's portable, compact design will keep you working safely and efficiently when you're on the go, in the office or at home.

- Designed to color match your MacBook Neo
- Gain five additional ports through one USB-C connection
- Supports display resolutions up to 4K@60Hz
- 100W Stay charged with up to 100W of Power Delivery† to your host device while you stay connected to peripherals
- Spend more time working and less time transferring with fast data transfer speeds up to 5Gbps
- Get peace of mind with a 6-point safety system:
  - Overvoltage protection
  - Overload protection
  - Over-current protection
  - Over-temperature protection
  - Short-circuit protection
  - Fire-resistant materials
