

Be Ready For Today™

Connect USB-C® Keyboard with Stand for iPad

This keyboard with a built-in stand simply and securely connects to an iPad via an integrated USB-C cable. Belkin secure wired keyboards are designed with learning environments in mind by featuring durable full-sized, pry-resistant keys with tactile, intuitive typing and with multimedia hot keys that can be disabled to reduce distractions in the classroom. Compatible with USB-C enabled iPad devices, they support SBAC testing compliance and their stackable design organizes storage.

Reliably connect your iPad via integrated USB-C cable without needing batteries

Full-sized, pry-resistant keys for comfortable, tactile, intuitive typing

Get peace of mind with Mil-STD 810G drop protection and IP51 water and dust protection making it easy to clean

Navigate seamlessly with iPadOS multimedia hot keys that can be disabled to reduce distractions

Built-in stand to accommodate for iPad devices in landscape mode

Stackable compact form factor for easy storage
