

2-Outlet Charging Station with USB Ports and USB-C® Cable 70W

Power and charge up to six devices when you're on the go with a GaN technology 2-Outlet Charging Station that integrates speed, safety and efficiency. Perfect for workstation setups while traveling, it delivers 70W max PD from USB ports and the attached USB-C cable charges your laptop/MacBook and phone. Plus, there are two AC outlets to keep your watch, earbuds and clocks powered and ready.

Product Benefits

- Safely power and charge up to six devices to complete your work or play setup
- Access to two AC outlets
- One USB-C and two USB-A ports and the attached USB-C cable deliver up to 70W of Power Delivery to fast charge your devices
- Save time with faster GaN technology charging
- Take advantage of portability with small size and light weight
- Programmable Power Supply (PPS) provides more efficient and safe charging, and no overcharging or damaging battery life of your devices
- Durable 5 ft./1.5m power cord with standard plug for more flexibility in setting up your workspace and cable management strap included
- Safe to bring onboard cruise ships
- Made of eco-friendly, post-consumer recycled materials*
- Protected by a 2-year Belkin warranty and a \$2,500 Connected Equipment Warranty†
