[§]Dual extended display is for Windows OS only.

^{*}USB-C port supports data transfer and pass-through charging up to 100W, minus 15W for the hub's operation. Recommend using 60W charger (not included), which will deliver up to 45W pass-through charge while using other hub functions. Performance depends on laptop requirements.

[§]Belkin has sold over 1 billion products globally since 2000.
