ConnectAir
Wireless HDMI Display Adapter

Wirelessly mirror and/or extend from a display-enabled USB-C® host device in business settings like conference rooms or classrooms. Present from a laptop, tablet or phone with ease. Cut the cords and keep the connection to effortlessly plug and play without requiring network, WiFi or Bluetooth. Enjoy crystal-clear display resolutions up to 1080p@60Hz and freedom to move with a range up to 131 feet/40 meters.

Product Benefits

- Wirelessly screenshare extended or mirrored at 1080p@60Hz in large spaces like conference rooms, classrooms and auditoriums
- Plug and play conveniently without relying on spotty WiFi or a network, with no driver installation required
- Long-range capability allows freedom of movement up to 131 ft./40m, so you're not tethered to a connecting cable
- Supports a wide range of devices including laptops, tablets, projectors and smartphones; will work with any display-enabled USB-C host device
- Protect information with peer-to-peer connection providing security within a private network
- Take turns casting screens — up to eight users with transmitters can share screens
- Enjoy seamless screen casting with latency below 80ms[†], providing little to no lag
- Gain peace of mind with a 4-point safety system:
  - Overvoltage protection
  - Overload protection
  - Over-current protection
  - Over-temperature protection
- Includes a 2-year warranty

Compatibility

Share your screen from a wide range of USB-C devices such as laptops, tablets, projectors and smartphones, with any operating system. Wireless adapter does not rely on unstable WiFi connections or a network.

Package Includes

- Receiver (Rx) - HDMI to monitor and USB-(A 2.3W min)
- Transmitter (Tx) - USB-C with DP Alt-Mode adapter with LED indicator and pair button

    - 6.69 in./170mm (L) x 1.78 in./45.21mm (W) x 0.78 in./19.75mm (H)
    - Cable length: 3.54 in./90mm
    - Weight: 1.47 oz./41.8g

  Receiver:
    - 7.48 in./189.96mm (L) x 0.71 in./18.11mm (W) x 0.35 in./9mm (H)
    - Cable length: 7.49 in./189.96mm
    - Weight: 0.78 oz./22g

The Belkin ConnectAir Family

ConnectAir products are all about making wireless, plug-and-play connections with secure peer-to-peer connections. From cables that charge and share data, to adapters that connect devices for a more streamlined experience, ConnectAir delivers data in the most efficient way possible, while maintaining the highest levels of quality. The very first product Belkin released to market was a cable, and we are proud to say that making connections has been an essential part of our story ever since.

The Belkin ConnectAir Family Characteristics

- Plug-and-play wireless solution to connect essential peripherals to a computer
- Secure peer-to-peer connection to multiple peripherals
- Designed for portability to facilitate quick and easy workstation setup and takedown

The Belkin Difference

- Pioneer in innovation and technology for over 40 years
- Extensive testing procedures guarantee quality and durability
