IMPORTANT NOTICE REGARDING YOUR CONSUMER RIGHTS

The benefits we give in this manufacturer's warranty are **additional to** any rights and remedies that you may have under the Australian Competition and Consumer Act 2010 or the New Zealand Consumer Guarantees Act 1993 (**CGA**) (as applicable) and other applicable Australian and New Zealand consumer protection laws (together "**ANZ Consumer Laws**").

This manufacturer's warranty is governed by the laws of the country in which you purchased your product.

In Australia our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. Repair of the goods may result in loss of data. Goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the goods.

In New Zealand, our goods come with guarantees that cannot be excluded under the Consumer Guarantees Act 1993 (CGA).

This manufacturer's warranty is not intended to:

- change or exclude any rights under the ANZ Consumer Laws that cannot be lawfully changed or excluded; or
- limit or exclude any right you have against the person who sold the Belkin product to you if that person has breached their sales contract with you.

Note: This means that the general exclusions and limitations of liability in this document do not affect any rights you may have under the ANZ Consumer Laws.
